POLICY TOPIC DESCRIPTION

Alignment with State Standards, Technology Utilization, and Program Appraisal

POLICY STATEMENT

The school shall organize all instructional and other activity to be aligned with state standards established in state laws and regulations, and in a manner that is consistent with local school board policy. The Assessment Committee, by no later than the October council meeting of each year, shall provide a report to the school council on the results of the state assessment. The committee shall report on the status of alignment with state standards and technology utilization, and shall make recommendations to the council on ways to become more closely aligned and to better use technology.

All programs at the school must contribute to increased student performance as measured by the state assessment system. Programs may contribute directly or indirectly to this result. Upon request of the school council, the principal or his/her designee shall report to the school council on the degree to which a designated program contributes to increased student performance.
